Altria’s
Fourth-Quarter 2019
Earnings Conference Call

January 30, 2020
Safe Harbor Statement

Statements, including earnings guidance, in this presentation that are not reported financial results or other historical information are “forward-looking statements” within the meaning of Private Securities Litigation Reform Act of 1995. Such forward-looking statements are based on current plans, estimates and expectations, and are not guarantees of future performance. They are based on management’s expectations that involve a number of business risks and uncertainties, any of which could cause actual results to differ materially from those expressed in or implied by the forward-looking statements. Altria undertakes no obligation to publicly update or revise any forward-looking statement other than in the normal course of its public disclosure obligations. The risks and uncertainties relating to the forward-looking statements in this presentation include those described in Altria’s publicly-filed reports, including its Annual Report on Form 10-K for the year ended December 31, 2018, its Quarterly Reports on Form 10-Q for the periods ended March 31, 2019 and September 30, 2019, and under “Forward-looking and Cautionary Statements” in today’s earnings release.

Reconciliations of non-GAAP financial measures included in this presentation to the most comparable GAAP measures are available on Altria’s website at altria.com.

2019 Strong Results

- Exceeded our $575 million cost reduction target
- Made significant progress advancing and building our noncombustible business platform
- Successfully advocated for Tobacco 21
JUUL Investment Update

- We’ve reached an agreement with JUUL to continue providing regulatory affairs services, including supporting JUUL’s efforts to prepare and submit its PMTA filings by May 2020 but we will discontinue all other services by the end of March 2020.

- We are committed to helping JUUL achieve this critical PMTA milestone.

- JUUL will create a new, more independent board structure after we receive antitrust clearance from the FTC.

Accounting Methodology for Investment in JUUL

- Upon antitrust clearance, Altria expects to account for its equity investment in JUUL using the fair value option.
- Altria’s income statement will include any cash dividends received from the investment and quarterly changes in the fair value of the investment.
Revised 2020-2022 Growth Objective

- We don’t currently expect to receive equity earnings contributions from JUUL over the next three years.
- We revise our compounded annual adjusted diluted EPS* growth objective to 4% to 7% for the years 2020 through 2022.

JUUL Q4 2019 Impairment

- We’ve recorded an additional $4.1 billion impairment to our JUUL investment, primarily driven by the increased number of legal cases pending against JUUL and the expectation that the number of legal cases against JUUL will continue to increase.
  - Since October 31, 2019, lawsuits in which JUUL is a named defendant increased by more than 80%.

- The current value of our JUUL investment is $4.2 billion.
Strategic Cannabis Investment
Complementary Alcohol Assets
Capital Allocation

- We repurchased $500 million in shares in the fourth quarter.
- We have $500 million remaining in the current authorized repurchase program, which we expect to complete by the end of 2020.
- Current annualized dividend is $3.36 per share; represents 6.8% yield*.
